

Blueprint for Change in Construction sector: **BUILD GREEN**

Establishing Green Building Council Kosovo

30 April 2024
Tuesday

Hotel Sirius
Agim Ramadani , Pristina

Join us on 30 April 2024, for the workshop organized by RECONOMY. RECONOMY is engaging stakeholders in the building industry, developers, construction companies, design studios, real estate brokers, academia, NGOs, individuals, and governmental bodies willing to introduce market changes towards green building practices.

This event is a crucial convergence of strategic discussions, knowledge sharing, and fostering cooperation aimed at establishing Green building council Kosovo and contributing to a sustainable buildings in Kosovo and the Western Balkans.

We look forward to welcoming you.

We hope to see you there!

Please RSVP to shend.boshnjaku@ceprosard.org.mk
